Queen 2 to King 3 - The Monarchy in Transition

A talk given by Hugo Vickers

on

Wednesday, 9th October at 7.30 pm at St Michael's Church, Bray

Well known as a biographer, lecturer and broadcaster, and an acknowledged expert on the Royal Family, who better than Hugo Vickers to give us a ringside account of the last months of Queen Elizabeth II's reign, with stories from behind the castle walls? He will start with the Queen's move to Windsor Castle before lockdown in 2020, the death of Prince Philip, the remarkable Platinum Jubilee, and then the Queen's death and state funeral.

He will talk of the new reign and the Coronation, and examine how the new King is tackling his role as Head of State and bring us right up to date with the challenges, the issues, and the future of the British Monarchy in 2024.
